A Saturday with the Portage County UW-Extension
Master Gardener Volunteers
February 3, 2018

7:45 a.m. Registration

8:40 a.m. Welcome & Opening Remarks

8:45 a.m. to 10:15 a.m.

Succulents: A hidden treasure of plants waiting for you
with Rob Charlier-Anglim

Rob Charlier-Anglim will speak on succulents. Many folks are hesitant to try these delight plants. There is a wealth of plant choices to turn a barren landscape into an unusual garden or window into a showcase of colorful foliage and flowers.

10:30 a.m. – 12:00 p.m.

Daylilies, Easy, Beautiful pallet of color and shapes
with Rob Charlier-Anglim

Rob Charlier-Anglim will speak on daylilies and how easy it is to grow them. What can the home gardener do to have a successful growing of daylilies in a garden design, plant selection and maintenance practices during the growing season. This presentation will offer ways to transform your garden into a beautiful palette of color for the average gardener.

Rob is a Washington County Master Gardener Volunteer, a past Ozaukee County Master Gardener Volunteer, and he is a member of the Southeastern Daylily Society. Rob recently presented at the 2017 WIMGA conference and has been gardening since the age of 8.

Noon to 1:00 p.m. - Catered Lunch

1:00 p.m. – 3:00 p.m.
Seed Starting and Ways of maximizing the space in your garden no matter what the size
with Joey and Holly Baird

Seed Starting: In this informative presentation Joey and Holly will provide information on starting seeds, when it is best to start seeds, which seeds are best to start, tips on seed starting success and more!

Maximizing your garden: Whether you have a container garden, raised bed, small backyard garden or a large plot to grow in Joey and Holly will show you tips on how the get the most space out of where you grow. Helpful tips on using space wisely, planting when and where to be most effective, and more!

Joey and Holly enjoy make presentations at garden Expo's throughout the Midwest. They make videos on YouTube about how to grow your own food organically, reusing found items (or items you may just throw away), what to do with the food you grow, home canning and simple home living. Joey and Holly host the only gardening radio show in SE Wisconsin on Saturday mornings from March through October.

Today's conference is brought to you by:
